Market Closing .- In the late afternoon trading became more active, and ow of Wednesday. Pennsylvania was one of the first stocks to become weak, iosing 1 point. Steel lost %, but rallied toward the close, as did the whole list, and final prices showed only fractional changes for most issues. The rally was still in progress at the close. Total sales, \$44,595 shares. Opening was quiet and price

changes were unimportant. All attention was directed to Washington and away from the real fundamental factors on account of hearing on bills to regulate the exchanges, and of the

American Canopened under pressure but railed and gained 3-8. Hock Island issues were quiet. Woolworth common gained 3-8 at the start and on later and at the end of the first half hour the general list showed some strength. The little was in specialities. A good tone was manifested in United States Steel, indicating that the Street did not apprehend unfavorable market effects on the showing of unfilled tonnage to be made next Tuesday. Stocks were supplied on a little raily which occurred around 10,50 A. M. and at the end of the first hour the general list was somewhat reactionary. New Haven was sold by the bearish traders after it had advanced to 721-2, the low point.

During the second hour trading was dull and almost entirely professional. Rock Island issues were weak and the common broke to a new low level, at \$1-4. Erie advanced 3-5, to 315-5, and gains were made in Central Leather and California Petroleum, but the general list fluctuations were small.

In the early afternoon very little change occurred in the prices of most issues. Canadian Pacific sold off 11-8 below the opening price, to 1177-8; Pennsylvania lost 1 point, to 1121-4, and Third Avenue was very strong for that issue, advancing 11-2, to 44. Trading was on a small scale and prices ruled about 1-2 point below the opening level.

John B. Scarlett, one of the indicted directors of the wrecked Roseville Trust Company, filed his schedules in bankruptcy proceedings in Newark, N. J., to-day. He said he owed \$125,000 and had but \$1,500, for which he claimed exemption. Scarlett was the President of the Graylock Land Company, which did an installment business. He explained many of the notes found among his lisbilities by saying he had signed them for the accommodation of Italian customers, who negotiated them for cash to send home to Italy.

Special Sale New \$500 Sohmer Piano For \$390

HIS is the lowest price at which a new Sohmer Piano has ever been sold. We have only a limited number. The reason for this reduction is that our new catalog, just going to press, will show a piano with a slightly different case design. Were this piano to be catalogued, it would be priced at \$500. Both in interior construction and finish it is a typical Sohmer Piano—the Piano of Permanent Tone.

The Sohmer is one of the few really artistic pianos and is regarded by thousands of music lovers as the finest piano built. The price of the Sohmer is a never-varying standard, and this sale is simply the result of a most unusual circum-
